

HAZMAT CHEMICAL AND LABORATORY SORBENTS

- Provides a quick “no-decision response” when the nature of the spill is unknown
- Absorbs virtually all liquids both aggressive and non-aggressive
- Yellow coloured sorbents alert workers of potential danger
- Made with smaller micron diameter fibres that allow for greater retention and strength

LABORATORY & CLEANROOM SOLUTIONS

Product	Description	Packaging	Absorption (ltrs/box)
<i>Premium Pads</i>			
S2-70	40.64cm x 45.72cm single weight perforated pad	200 / box	94.15
